ASCENT Offerings

Autodesk Official Training Guides

Training Guides arrive printed, spiral bound, and ready to use! Each Student Guide includes a link to access the training files for practice exercises.

Electronic Instructor Tools

Ideal if you are teaching the course! Each PDF download includes answers to questions within the course as well as timing guidelines for delivering the course.

eBooks

Containing the same content as the corresponding printed guides, eBooks provide users with a personal electronic copy of the guide, complete with hands-on exercises and downloadable class training files.

How to Order

Online

Place your orders directly on ASCENT's eStore at your convenience: ASCENTeStore.com

The benefits of ordering online are plenty:

- Orders accepted from anywhere in the world
- Secure and convenient
- Fast and easy to create unique user account
- Credit card and Purchase Orders accepted
- Order history available to users with unique login
- Orders can be tracked for delivery assurance
