### Why choose ASCENT?

**Experience:** ASCENT has 25+ years of experience developing high-quality professional curriculum and technical documentation for engineering applications.

**Dedicated Staff:** ASCENT staffs a multi-disciplinary team of engineers, technical writers, Subject Matter Experts and instructional designers. Our authors are also instructors who can rise to the challenge of creating curriculum that effectively engages students

**Purchasing Options:** Choose between printed learning guides, electronic eBooks, or Digital site licenses for larger quantities.

**Purchasing Convenience:** Products are available for order online through ASCENT's eStore: [ASCENTeStore.com](http://ASCENTeStore.com) or through [Amazon](http://Amazon). ASCENT's learning guides are printed at regional printers located around the globe, for local distribution.

### ALSO FROM ASCENT

#### Customization:

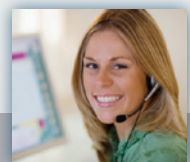

ASCENT can personalize any of its courseware to address your unique training needs.

#### Knowledge Assessments:

Ensure students are learning the way you want them to. ASCENT's assessments are delivered online with detailed reports of each student's results available to instructors.

#### Technical Writing Services:

ASCENT specializes in proofreading, editing and complete authoring of documents such as product specifications, online help documentation, interactive tutorials and more!
